Corona Virus Updates

Parents/Guardians:

Purposeful Minds Educational Center is closely monitoring and following CDC recommendations for keeping you, your family, and our staff members safe. We strongly encourage all members of the community to follow these best practices to ensure the health and safety of others:

- Wear a mask when you are conducting business outside of your home.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Wash your hands often with soap and water, especially after visiting the restroom, eating, blowing your nose, coughing, sneezing, or touching your face.
- Cover your sneeze or cough with a tissue, discard the tissue in the trash, and wash your hands.
- Keep disinfectant with you as a precaution and use hand sanitizer in addition to soap and water when available.
- Please keep a distance of at least 6 ft.

Please note, that if you have signed up for in home tutoring services, your tutor will practice the above-mentioned precautions before, during, and after entering your home in addition to the best practices listed below:

- Temperature checks prior to entering a client's home.
- Tutors may use PPE, but it is not a requirement.

If at any reason, a member of our team becomes ill, especially the tutor who works inside of your home, the following actions will take place:

- You will be notified immediately.
- In person tutoring services will be canceled until further notice and virtual tutoring will commence.
- If the tutor is well enough to teach virtually, the tutoring session will continue as scheduled. If your tutor is not well enough to teach the virtual session, Ms. Ware will contact you to discuss another member of our PMEC team filling in for your tutor until he/she is well enough to resume tutoring services.

If you have any questions or concerns, please feel free to contact me at (404) 981-8329 or via email at purposefulmindsined@gmail.com. Thank you and have a purposeful day!

Sincerely,

Demeshia Ware, Owner
